Measurements:

- Cardstock Base: 8 ¼" x 5 ½", scored at 4 ¼" (2)
- Cardstock for inside: 5 ¼" x 3 15/16" (2)
- Patterned paper and embellishments as desired

Instructions:

1. Fold the card bases along the score line.
2. Cut 1/16" off one short (5 ½") side of each card base.
3. Cut out a window on the larger side of one of the card bases.
4. Decorate the front of the card, side with window, as desired.
5. Stamp desired images, phrases and other embellishments to the two separate pieces of cardstock.
6. Adhere the two card bases together; with the shorter side of the front card base being adhered to the inside of the longer side of the other card base.
7. Adhere the two separate pieces of cardstock to the insides of the card bases.
