

## Slide and Lock Card

All images © 1990-2021 Stampin' Up! ®

### Measurements:

- Card base: 4 ¼" x 11" scored on long side at 2 ¾"
- Inner Cardstock layer: 4" x 5 ¼"
- Cardstock for Slider: 3 ½" x 3 ½" (4), 2 scored in half at 1 ¾"
- Patterned Paper for card base: 2 ½" x 4" (2) approx.
- Patterned Paper for slider: 3 ¼" x 3 ¼"
- Cardstock for image/phrase

### Instructions:

1. Fold the card base along the score line.
2. Fold other end of card base in to meet the other folded side.
3. Trim a little bit of one of these edges to make more room for the slider.
4. Adhere the two pieces of patterned paper on to the flaps of the card base.
5. Fold in the two scored cardstock squares in half.
6. Adhere one of the folded squares to one of the full squares, lining up the edges and placing the crease in the centre.
7. Repeat with the other folded square on the other side.
8. Adhere the other full square on top of the folded squares.
9. Adhere the piece of patterned paper to the slider.
10. Adhere the stamped image(s)/phrase.
11. Embellish as desired.
